

A Clean Shift from Glass to Plastic

MJS PACKAGING

About Our Customer

Puckered Pickle is a family owned and operated company that has been manufacturing branded and private label pickle products for over two decades.

Objective

Due to supply chain issues, the needed glass jars became challenging to procure in a timely fashion. Our customer wanted to maintain the look and feel of glass for their product.

Solution

We procured a heavyweight PET jar with the same shape and neck finish as the original glass jar.

Additional Benefits

PET jar upheld the same shelf appearance

- Excellent clarity
- Maintains quality perception held by consumers

Customer realized cost savings with new jar

Product is now shatterproof

PET jar utilizes same filling process

Existing lids still able to be used
